Dear Clifton Hills Families,

This letter serves to inform you that Clifton Hills was most recently identified as Additional Targeted Support and Improvement (ATSI) for the 2023-2024 academic year as required by the Every Student Succeeds Act and the U.S. Department of Education. Clifton Hills Elementary School was identified as an ATSI school as a result of African American students performing below the 5th percentile on the TNReady assessment. As a result of this designation, Clifton Hills will be provided with additional supports in order to support the academic needs of students. If you have any questions regarding this information, please feel free to call the school and speak with a member of our team.

Sincerely,

Dr. Lindsay Starnes
